### Comments/Modifications

7/22/13: Headsail changed from 137 to 131 +1; shortened 'Ein 20.95 to 20.0--square top 2in - N/C. Spinnaker pole='J'.  
2014: new ISP = -6; Keel= -6; Draft= -6; Net Misc = -18  
Comments Owner 4/25/17 Last summer keel was modified to add 750 pounds to the fin keel. Change in 14 proved slower than original, this was reported to PHRFNB but was told to do 1 remaining race under same certificate, This keel change made the boat rate 8 clicks slower IRC. This winter we are going back to a spinnaker pole and shortening the centerline prod installed in 13 from 20.17 to 18.33'. We are going back to a "pin head" main no longer using the square top. E is going back to 20.83' slightly shorter than original prior to 13 mods. We are also increasing genoe size to 144%.
